Outline - Part 1 - Forgetful and unthankful read Rom. 1:18-21 - Those who have a true knowledge of God will not become so infatuated with the laws of matter, or the operations of nature, nor the operations of nature as to overlook, or refuse to acknowledge the continual working of God in nature. Nature is not God, nor was it ever God. The science of nature testifies of God. As His created work, it simply bears a testimony of God. As His created work, it bears a testimony to Gods power". S. D. A. Bible commentary Vol. 6 p. 1060 Part 2. The way of Escape Rom. 3:22 - 25 - Faith is the condition upon which God has seen fit to promise pardon to sinners; not that there is any virtue in faith whereby salvation is merited, but because faith can layhold of the merits of Christ the remedy provided for sin. Faith can present Christ perfect obedience instead of the sinner's transgression and defection . . . S. D. A. Bible commentary Vol. 6 p. 1073. Part 3 - Complete In Him. Rom. 6:3-8 Such expressions as "dead to sin" and "alive to God" having Christ in you are frequently found in Paul's writings. The thought is that Christ must have full control of the believer . . . "Christ must be enthroned within" - The Desire of Ages. p. 494 - Part 4. Now No Condemnation Rom. 8:1-3, 14. In this chapter Paul finds the answer to his despairing cry "who shall deliver me?" he turns back a chapter to Rom. 7:24, 25 and finds out that we must submerge his will, and accept the guidance of the Holy Spirit. "That we may go to Jesus and be cleansed and stand before the law without shame and remorse" There is therefore now no condemnation . . . Part 5 - Transformation of Life Rom. 12:45 "For as we have many members in one body, and all members have not the same office; so we, being many, are one body in Christ, and everyone members one of another." Part 6 - Love And Tolerance read Rom. 14:4,13. God has bestowed the fulness of His love upon those who keep His commandments, He asks us in return to manifest this same love in our dealings with one another.

Thirteenth Sabbath Overflow Offering

North American Division
June 24, 1972

It is normal for each world division to receive an overflow offering about every 3 years. An exception to this rule always is the North American Division. The last offering scheduled there was eight years ago; the second quarter of 1964. We just don't think of North America as a missi n because it is the source of a large percentage of denominational funds. However there are of people in North American who very much need the material benefits money can buy as a means of spreading the gospel and hastening Jesus' return.

The Thirteenth Sabbath Overflow Offering will be divided three ways: (1) To give assistance to the medical work of the young clinic at Yellowknife in Northwest Territories, of Canada. (2) To build a boys dormitory for Pine Forge Academy, Pennsylvania, one or two boarding academies for the denomination's black youth in North America (3) To supply urgently needed equipment for vocational and industrial training at our North American Indian school in Holbrook, Arizona. This clinic and these schools will give you special thanks as you give liberally this Thirteenth Sabbath.

Our Appomattox S. D. A. Church members expect to join all other members around the world in doing our best to give to this great cause.

Written by Mrs. Annie R. Fore, PR Secretary for Appomattox Church.
